

PLCS D-5 Portable Workbench

A portable workbench to install various Mueller adapters, such as the boring bar or completion plug tool without needing an extra pair of hands.

Benefits

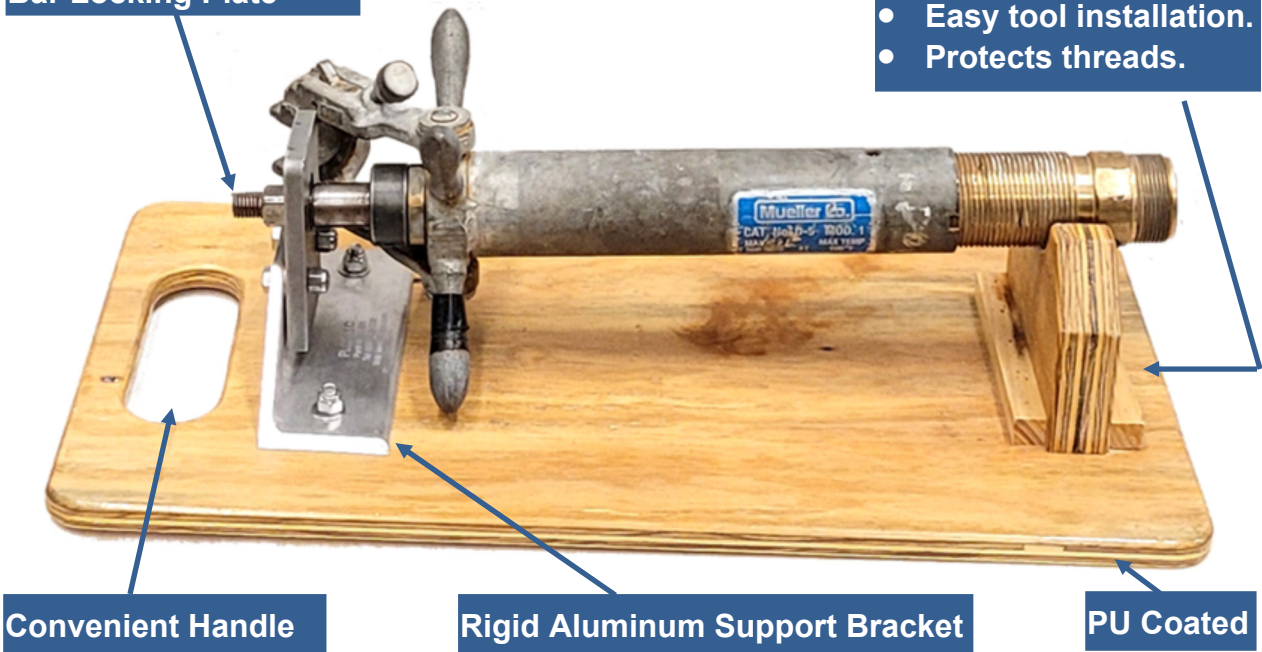

- Portable on-site support platform for D-5 machine.
- Prevents boring bar rotation with an integrated locking plate.
- One-person adapter installation to the boring bar.
- Use on the tailgate or near the excavation.

Stainless Steel Boring Bar Locking Plate

Elevated Wooden Cradle

- Easy tool installation.
- Protects threads.

Convenient Handle

Rigid Aluminum Support Bracket

PU Coated
